The image features a dynamic diagonal banner running from the bottom-left towards the top-right. The banner is primarily red with white outlines for the letters 'ROUTE' and '4'. Overlaid on this banner is a semi-transparent yellow layer containing the German phrase 'Erfahre dein Land' in yellow text. In the top-left corner, there's a black silhouette of a person riding a bicycle. The top-right corner features a stylized yellow sunburst or starburst graphic. The background of the entire image is a light blue-green color, representing a map of Germany with white lines indicating state boundaries.
